GUESTROOMS

From full guestroom renovations to a minor refresh, Schoenfelder Renovations gives guestrooms the facelifts that elevate your brand and your guests experience.

RESTAURANT/BAR

Does your hotel restaurants and bars need modernizing? These renovations often go hand in hand with lobby renovations to ensure everything is consistent. These are usually high-profile spaces in a hotel, bringing guests and visitors alike.

Hilton. Fort Worth. TX

LOBBY/PUBLIC SPACE

The lobby is a hotel's highest-trafficked space. It's imperative that these spaces are up to speed with modern designs and the hotel's most updated branding and technology. This space sets the tone for your guest expectations of their stay.
